

It Never Ends

The Defiled

It started off with a one night stand, lingered to a fling
The sirens and the sergeants didn't seem to mean a thing
Hide your fangs all you want, you still need the blood
Tell us that it's different now, you're up to no good
(Take my hand, show me the way, we are the children who fell from grace)
(Take my hand, show me the way, we are the children who can't be saved)

One more nail in the coffin, one more foot in the grave
One more time I'm on my knees and I'm trying to walk away
How has it come to this?

I've said it once, I've said it twice, I've said it a thousand fucking times
That I'm OK, that I'm fine, that it's all just in my mind
But this has got the best of me, and I can't seem to sleep
It's not 'cause you're not with me, it's cause you never leave

I've said it once a thousand fucking times
You said this is suicide,
I said this is a war
When I'm losing the battle
Man down, man down, oh
This is what you call love?
This is a war I can't win!

One more nail in the coffin, one more foot in the grave
One more time I'm on my knees and I'm trying to walk away
Everything I've loved, became everything I lost

I've said it once, I've said it twice, I've said it a thousand fucking times
That I'm OK, that I'm fine, that it's all just in my mind
But this has got the best of me, and I can't seem to sleep
It's not cause you're not with me, it's cause you never leave
It's not cause you're not here with me, it's cause you never leave

Every second, every minute, every hour, every day
It never ends, it never ends
Every second, every minute, every hour, every day
It never ends, it never ends
Every second, every minute, every hour, every day
It never ends, it never ends
Every second, every minute, every hour, every day

It never ends, it never ends
