

The Mourning After

The Defiled

Take a look at the night before and
Take a look at what you've done

It's not real you can feel the tension
Crawl and hide away

Hold on, head strong
Yeah, I've done wrong

Hey now, don't pull yourself apart
Yeah, come on down and let's do it from the start

Rub my eyes and wipe the sleep off
I must have had too much to dream

It's so real I can feel the tension
Pressure in my brain

Hold on, head strong
Yeah, I've done wrong

Hey now, don't pull yourself apart
Yeah, come on down and let's do it from the start
