

A Summer Place

The Dells

Bells will be ringing
Birds will be singing
You, my dear lover
Today, you'll discover

There's a summer place
Where it may rain or storm
Yet I'm safe and warm (Safe and warm)

For within that summer place
Your arms reach out to me
And my heart is free (Ooh)

From all care
For it knows
There are no gloomy skies
When seen through the eyes
Of those who are blessed with love

And the sweet secret of
A summer place
Is that it's anywhere
When two people share
All their hopes
All their dreams
All their love

Bells will be ringing
Birds will be singing
You, my dear lover
Today, you'll discover

There are no gloomy skies
When seen through the eyes
Of those who are blessed with love

And the sweet secret of
A summer place
Is that it's anywhere
When two people share
All their hopes
All their dreams
All their love
All their hopes
All their dreams
All their love
