

Babylon's Risin'

The Dells

Babylon Risin
Woah oh oh Babylon Risin
Babylon Risin
Woah oh oh Babylon Risin

People walking down the street
With hardly no clothes on
Exposing their bodies
Can't you see, what's going on

Oh, Babylon Risin
Woah oh oh Babylon Risin (Babylon Risin)
Babylon Risin (woah)
Woah oh oh Babylon Risin

Everybody scared of me
They don't know what to do
They sure in a fine fine mess
Look what you got yourself into

Oh, Babylon Risin
Woah oh oh Babylon Risin (Babylon Risin)
Babylon Risin (yeah yeah)
Woah oh oh Babylon Risin

All the people want, is sex sex sex
All the people talk about, is sex sex sex
All the people see, is sex sex sex
Everywhere you go, everywhere you turn

Babylon Risin

Evil's on the rise, go find a place to hide
Cause love will conquer all
Hear what I say, this is the final call

Oh, Babylon Risin
Woah oh oh Babylon Risin (Babylon Risin)
Babylon Risin (I don't know)
Woah oh oh Babylon Risin

All the people want, is sex sex sex
All the leaders talk about, is war war war
All the people see, is sex sex sex
All the leaders talk about, is war war war

Sex sex sex, war war war
Sex sex sex, war war war
Sex sex sex, war war war
Everywhere you go, everywhere you turn

Babylon Risin
Woah oh oh Babylon Risin
Babylon Risin
Woah oh oh Babylon Risin
