

Cherish

The Dells

I'll cherish, your love
With every breath that I breathe
Embrace, your love
Cause you fulfill my everything

If you (want me I'm yours forever)
And I'll (always stay by your side)
No one else, has ever loved me
Quite like you do (no one else loves me)
Oh no one else, has ever loved me
Quite like you do

(And I'll, cherish)
(Cherish your love) sure nuff baby
(Cherish your love)
Oh I'll (and I will, cherish)
(Ooh ooh ooh, cherish your love)
Oh (And I will, cherish)
(Cherish your love, cherish your love)
Oh and I will cherish (and I will, cherish)
Cherish (Ooh ooh ooh, cherish your love)
Cherish your love

Cherish, my love
As every breath that you breathe
Embrace my love
And I'll fulfill your every need

If you (want me I'm yours forever)
And I'll (always stay by your side)
Oh just remember no one else can love you
Quite like I do (no one else loves me)
Oh no one else can love you
Hmm like I do

(And will, cherish)
(Cherish your love) oh
(Cherish your love)
(And I will) cherish (cherish) cherish
(Ooh ooh ooh) cherish (cherish my love)
(And I will, cherish) cherish
(Cherish your love) cherish your love
(Cherish your love)
(And I will, cherish) cherish
(Ooh ooh ooh) oh (cherish my love)
Cherish your love
