

# Could It Be

## The Dells

Since we first came together for just a passing affair  
We've grown closer to each other  
Now you tell me that you care  
I've got a question about this feeling  
That makes me so happy with you  
I've got a question, and I want a straight  
Honest answer from you (yes I do)

Oh, tell me, tell me...  
Could it be that I'm in love with you?  
I sure hope so  
Could it be that you're in love with me?  
No one know the answer  
Could it be that I'm in love with you? Mm...  
Could it be that you're in love with me?

If you ask, I'll be your clown, you stand out in any crowd  
You're the one who satisfies every burning deep desire  
After the sand has passed through life's hourglass  
I hope that God, God takes me first  
'Cause there's no fate, no fate that could be worse  
Then if I'm left, I'm left on Earth without you  
(God bless you) God bless you!

Tell me, tell me, tell me...  
Could it be that I'm in love with you?  
Since we've been together  
Could it be that you're in love with me?  
It's been nothing but fair weather  
Could it be that I'm in love with you?  
I don't want no one-sided love  
Could it be that you're in love with me?  
God bless you, baby  
Could it be that I'm in love with you?  
I don't wanna be by myself  
Could it be that you're in love with me?  
I don't wanna be with no one else  
Could it be that I'm in love with you?  
We've got that feeling  
Could it be that you're in love with me?  
I want an honest answer  
Could it be that I'm in love with you?  
Oh, you make me feel so nice  
Could it be that you're in love with me?  
I never felt like this before

(Ooh...) I've got that feeling, baby  
That once in a lifetime feeling  
Mm-hmm, baby... I don't want to love no one else  
I just want you to throw your arms around me  
Throw your arms around me and hold me tight sometime  
Lord, tell me, tell me you're mine  
Mmm, baby... oh baby... just say you love me  
I won't love no one else  
Sometime I just don't know  
If I lose you, I won't have nowhere to go

Could it be that I'm in love with you?  
Could it be, could it be I'm in love with you?  
Could it be that you're in love with me?  
Sometimes, I don't know  
Could it be that I'm in love with you?  
Sometimes I can fool myself  
Could it be that you're in love with me?  
I know I don't want nobody else  
Could it be that I'm in love with you?  
Oh... tell me, tell me, tell me  
Could it be that you're in love with me?  
I don't wanna hear it from no one else, just tell me you love me  
Could it be that I'm in love with you...?
