Darling Dear

The Dells

Ooh, wa
Ooh, wa
Ooh, wa
Ooh, wa

Darling dear
Where did you go, darling dear?
You know I need you so darling dear
When are you coming home?

Darling dear
You're everything to me, darling dear
Why did you have to leave?
Darling dear, please hurry back to me

In my bed each night, I get dreamy
That you were here by my side
And lately, I haven't been sleeping
I just lay there in sorrow and cry

Darling, darling, darling dear
Why did you say goodbye, darling dear?
I want you to be, to be mine darling dear
Oh when are you coming home?

Ooh, ooh, ooh, ooh

Lay there in sorrow and cry

Darling, darling, darling dear
Why did you say goodbye, darling dear?
Darling dear, I want you to be mine
Darling dear, oh darling dear, darling dear

I want you to be mine

Darling dear, I love you, love you so
Darling dear
