

Gotta Get Home To My Baby

The Dells

Cold lonely nights in the city
Gotta get home to my baby
Cold hearted people without no pity
Gotta get home to my baby

Searchin' for the bright lights
Good times on my mind
Why gimme them soul hand-me-downs
Eat, drink and be merry
No lonesome tomorrow
Won't be nothin' but pain and sorrow

I'm catchin' the fastest thing smokin'
Out of this town
I'm gonna call my baby
And tell her I'm homeward bound

I gotta get home oh, yeah
To my baby oh, yeah
I gotta get home to my baby

Goin' home
(Gotta get home to my baby)
Goin' home
(Gotta get home to my baby)
Goin' home to my baby

Goin' around in circles
Tryin' to make it to the top
I gotta get home to my baby
Sometimes these circles
Never seem to stop
I gotta get home to my baby

People walkin' 'round
On a cloud so high
Lookin' for a pie in the sky
No time for livin'
They just want to exist
This kind of life
I sure won't miss, no, no

I ain't got no time
For this frustration
I'm going back home
To a better situation

I'm goin' home oh, Lord
I'm goin' home to my baby
Oh, yeah I'm goin' home
I'm going back home to my baby

Goin' home
(Gotta get home to my baby)
Goin' home
(Gotta get home to my baby)
Goin' home to my baby

Goin' home
(Gotta get home to my baby)
Goin' home
(Gotta get home to my baby)
Goin' home to my baby

I ain't got no time
For this frustration
I'm going back home
To a better intuation

I'm goin' home oh, Lord
I'm goin' home to my baby
Oh, yeah I'm goin' home
I'm going back home to my baby

I might take an airplane
Or maybe a fast train
But I'm goin' home
Gotta get home to my baby
Goin' home, oh, baby
Gotta ger home to my baby

I might ride a ten-speed bike
I might crawl
But I'm goin' home
Gotta get home to my baby
I'm comin' home, baby
I'm goin' home to baby
Gotta get home to my baby

It's a dirty cold world
And I'm tired, tired
Gotta get home, baby
Gotta get home to my baby
Oh, yeah open your door, baby
Gotta get home to my baby...
