

I'm Only a Man

The Dells

And a man will do right
And a man will do wrong
Help me, to be strong
Oh woah oh oh

Yeah, yeah, yeah, yeah (hmm)

Oh lord, please forgive me
When I do wrong
Have mercy on me
I'm tryna do the very best I can
I'm only a man (a man)
I'm only a man (a man)

Oh lord, please stay with me
Every step of the way
I need you to guide me
So I do go, so I don't go, don't go astray
I'm only a man (a man)
Only a man (a man)

Oh, I got faith in you
My faith is so strong, to please you
That's what I'm looking for
That's why I always, always get down on my knees
Thank you lord (thank you lord)
Thank you lord, thank you lord
For all you've done for me
Oh woo
Help me lord

And a man will do right
Yeah yeah, yeah yeah
And a man will do wrong (yeah)
Help me to be strong

Oh lord, bless my family
Keep them safe, protect them from all harm
Give them their help, and their strength, to carry on
Even when I'm gone
I'm only a man (a man)
I'm only a man (a man)
Only a man (a man)
I'm only a man (a man)
