

Love Is So Simple

The Dells

Love is so simple
Love is so simple

Once upon a time
I have been treated
So unkind
Now I believe that
It was in my mind
Because of you I find

Love is so simple (Woo, woo, woo)
So simple

Darling (Oh, my darling)
Oh, my darling
The need
The very need of you (Ooh wit, ooh wit)
And baby (Oh, my baby)
Oh baby
Your gentle touch
I need so much (La da, da, da)

Love is so simple
Love is so simple (Woo, woo, woo, woo)
Love is so simple (Oh)
Love is so simple (I'll always love you baby, oh, yes)
Love is so simple (I'll always love you baby, oh yes I will)
Love is so simple (I got to say one more time, oh, oh, yeah)
Love is so simple (Oh)
Love is so simple (I'll always love you baby, oh yeah)
