

# Make It With You

The Dells

Hey, have you ever tried  
Really reaching out for the other side  
I may be climbing on rainbows  
But baby, here goes

Dreams, they're for those who sleep  
Life is for us to keep  
And if you're wondering what this song is leading to  
I want to make it with you  
I really think that we could make it, girl

No, you don't know me well  
In every little thing only time will tell  
But you believe the things that I do  
And we'll see it through

Life can be short or long  
Love can be right or wrong  
And if I chose the one I'd like to help me through  
I'd like to make it with you  
I really think that we could make it, girl

Baby, you know that dreams, they're for those who sleep  
Life is for us to keep  
And if I chose the one I'd like to help me through  
I'd like to make it with you  
I really think that we could make it, girl
