

Oh My Dear

The Dells

You know it seems just like yesterday
About this time of year
I remember tender rhymes
And misty times we've shared

Then she came along
And left a gentle song
For my heart sing
Much to be
She never ask me
For anything

Though she just wanted me to share my dreams
Try to pick the spaces in between
Oh, my dear
Is that all what love really means?
Is that all what love really means?

Finally came a time
I didn't find her standing there
Sorrow came in view
And left a shade of blue
For my heart to wear

Cause I lost her and I don't know how
Really makes no difference now
Oh, my dear
Here is a song I'll sing for you
Oh, it should be clear
I'll offer, I'll offer, I'll offer you everything

Cause I lost her and I don't know how
Really makes no difference now
Oh, my dear
Here is a song I'll sing for you
It should be clear
Oh, my dear
Oh, my dear
Come back baby
Come back baby
Come back baby
