

Please Don't Change Me Now

The Dells

Now that I'm ready
To fall in love with You
Please don't change me now

Now that I've learned, I've learned, I've learned
To trust in You Baby
Please don't change me now

Love one, Love one
Be for real

Don't turn my life upside down
Oh, I'm ready, ready, ready, ready
(Oh, I'm ready, ready, ready, ready)
Please don't change me now

Ooh hmmm
Our favorite source
You know I've suffered so long (Oh yeah)
And I've been so full of doubt
That is baby until You came along
Sweet love, oh sweet love
I was without

Love one, Love one
Be for real

Don't turn my life upside down
Oh, I'm ready, ready, ready, ready
(Oh, I'm ready, ready, ready, ready)
Please don't change me now
Please don't change me now, now, now
Now, now, now, now, now, now, now
