

# Rather Be With You

The Dells

I could take my guitar  
Hit the road and try to be a star  
That sort of thing just don't appeal to me  
I could play some one night stands  
Traveling light, a one man band  
But I know this is where I'd rather be

It's your bright sunshine that lifted  
All the shadows off my mind  
Yeah your sweet love led me to a brighter day  
So you never have to worry  
'Bout me leaving you behind  
Wait and see, I won't ever turn away

Hmm

Cause you made my dream come true  
And gave my life new meaning too  
And more than anything  
I'd rather be with you

Well I'd rather be with you babe if I could (Hmm)  
I'd rather be with you  
You know I'd rather be with you babe surely would (Woo)  
You know I'd rather be with you

Now this ghetto life is hard  
In our concrete front yard  
Nothing grows except a single tree to mark our place  
But the moment that I'm with you  
Girl your light and love shine through  
And then I realize you're my saving grace

I could catch that old greyhound  
Head up west and bum around  
Watch the sun set on the San Francisco Bay  
But you mean so much to me  
I could never put you down  
That would be to big a price for me to pay

Hmm

Cause you made my dream come true  
And gave my life new meaning too  
And more than anything  
I'd rather be with you

I'd rather be with you babe if I could (Hmm)  
I'd rather be with you (Hmm)  
I'd rather be with you babe surely would (I, I, I rather)  
I'd rather be with you (Hmm)  
I'd rather be with you
