

Since I Fell for You

The Dells

You know a lot of guys fall hard
And then a lot of guys fall fast
But the day I fell for you, baby
You can believe that was my very last
You made me leave my happy home
You took my love and now you're gone
Since I fell, since I fell for you, for you
Love, love, love, love, love, love
Brings such misery and pain
I guess I'll never be the same
Since I fell, since I fell for you
Oh, it's too bad, you know it's too sad
But I'm in love with you
You love me then you snub me
But what can I do, I'm still in love with you
Guess I'll never see the light
You know I get the blues
Just about every night
Since I fell for you, for you, for you, for you
(Since I fell for you)
Since I fell for you
