The Dells

Mm-mm-mm! Fellas, would you dig this lady here?
I dig how she's walkin', she's the fine one, huh
But I can tell how she walks, once you hear
You're gonna believe that, you dig it?

You're a teaser (teaser)
You got my body hot
You're a teaser (teaser)
Showin' off what you got
You're a teaser (teaser)
Switchin' and struttin' your stuff
You're a teaser (teaser), teaser (teaser), whoa...

First you say you will, and then you won't
When I take you home, then you don't (then you don't)
Talkin' like you wrote the facts of life
Afraid when I try to touch your paradise
I want to be the one who fills your lovin' cup
You're always leading me on, but you never give it up
Oh, oh, whoa... (uh-ah, uh-ah, uh-ah-uh!)

Always wearin' that sweet smelling perfume
The fragrance of it lights up the room (up the room)
Silk seems to be your favorite cloth
I can see what you got, before you take it off
I'm the kind of hunter, who always catches his game
Don't you think for a minute, that you're gonna get away
Oh, oh, whoa... (uh-ah, uh-ah, uh-ah-uh!)
