

Wasted Tears

The Dells

Wasted tears over you every night
Oh, you just won't do right
You took my love in the night, oh yeah
Oh, you just won't do right

Wasting tears over you, why must I cry?
I'm wasting tears over you, you, you made me cry
Oh, wasting tears over you every night
Oh no, oh no, oh no... you just won't do right

We made sweet love in the night
Now you're gone, oh, you did me so wrong
Ooh, mm-hmm... ooh, woo-woo... why, oh why?

(Wasted tears) oh, you're gone
(I'm wasting tears) I'm beginning to wonder
If you're ever, ever, ever, ever coming home
(I'm wasting tears) oh baby
I remember each and every night, baby
(I'm wasting tears) remember darlin'
Oh, what a night to make love to you, darlin'
(I'm wasting tears) oh baby, oh... (I'm wasting tears)
(I'm wasting tears, I'm wasting tears) oh darling
Remember baby, remember all the good times we had, love
(I'm wasting tears) whoa... (I'm wasting tears)
I can't forget the one night, darling
I can't forget the one night, darling
(I'm wasting tears) wasted tears
I'm wasting tears, I'm wasting tears, baby
(I'm wasting tears) I wanna see our hands together, darling
(I'm wasting tears) oh baby, oh baby
Wasting tears, wasting tears, wasting tears, wasting tears
(I'm wasting tears) oh baby, oh baby, one more night, darling
(I'm wasting tears) one more chance, baby, oh baby...
