

# What Do We Prove

The Dells

So your heart has discovered  
I'm in love with another  
And it's causing you pain  
Yes, I'm the one to blame  
For your misery, my darling now you see  
That I can hurt you like you hurt me

What's the use? I ask you  
What do we prove? Now tell me  
Who do we hurt? My darling  
Both of us lose, Oh  
What's the use? I ask you  
What do we prove? Now tell me  
Who do we hurt? My darling  
Me and you

When I told you I love you  
There was no one above you  
You laughed at me  
You thought it was fun  
You dated other guys  
You know you made me cry  
Now I think you realize

What's the use? I ask you  
What do we prove? Now tell me  
Who do we hurt? My darling  
Both of us lose, Oh  
What's the use? I ask you  
What do we prove? Now tell me  
Who do we hurt? My darling  
Me and you

Sha, na, na, na, na, na  
Sha, na, na, na, na, na  
Sha, na, na, na, na, na

Oh  
What's the use? I ask you  
What do we prove? Now tell me  
Who do we hurt? My darling  
Both of us lose, Oh  
What's the use? I ask you  
What do we prove? Now tell me  
Who do we hurt? My darling  
Me and you  
Oh  
What's the use? I ask you  
What do we prove? Now tell me  
Who do we hurt? My darling
