

When I'm In Your Arms

The Dells

Woo

Everywhere I go
People laugh at me (Oh yeah)
Wonder why am I
A outcast in society?
Everyone I know
Thinks I'm just a clown
Making fun of me
And this world goes spinning around

But when I'm in your arms
Your warm and tender arms (Oh yeah)
My life is so supreme
You're the answer to all dreams

In the shadow of your smile
I find security
I never thought a smile
Would ever be so much for me

But baby (Baby)
When I'm in your arms
Baby (Baby)
When I'm in your arms

Ooh, ooh, ooh, ooh, ooh

With each passing day
I find the world to be the same
Looking down on me
As just another worthless thing

When to you these tales I told
From the day the trials implode
It's so great to see
Someone still has faith in me

But baby, yeah (Baby)
When I'm in your arms
My baby, yeah (Baby)
When I'm in your arms

Ooh, ooh, ooh, ooh, ooh

When I'm in your arms
When I'm in your arms
When to you these tales I told
From the day the trials implode
It's so great to see
Someone still has faith in me

But baby (Baby)
When I'm in your arms
Baby, yeah (Baby, Baby)
When I'm in your arms
When to you these tales I told

From the day the trials implode
It's so great to see
Someone still has faith in me (Oh, oh)

But baby (Baby)
When I'm in your arms
Baby (Baby)
When I'm in your arms
My baby (Baby)
When I'm in your arms
My baby (My, my, my, my)
When I'm in your arms
I love You baby (Love you baby)
When I'm in your arms
