Down In The Flood

The Derek Trucks Band

Crash on the levee, mama Water's gonna overflow Swamps gonna rise And no boats gonna row

You can train on down
To Williams Point
You can bust your feet
You can rock this joint

But oh mama, you gonna miss your best friend now? You're gonna have to find yourself another best friend, somehow

Now, don't you try and move me Mama you're just gonna lose There's been a crash on the levee And mama, you've been refused

Well, it's king for king Queen for queen It's gonna be the meanest flood That anybody's ever seen

Oh mama, you gonna miss your best friend now? You're gonna have to find yourself another best friend, somehow

Well, that high tides risin'
Mama, don't you let me down
Pack up your suitcase
Mama, don't you make a sound

Well, it's sugar for sugar And it's salt for salt If you go down in the flood It's gonna be your own fault

Oh mama, ain't you gonna miss your best friend now?
You're gonna have to find yourself another best friend, somehow
