

# I'll Do It

The Deslondes

Nobody likes it, if nobody tries I'll do it  
If nobody wants to take a bite I'll do it  
No it won't do any harm  
Ring your bell, sound the alarm  
Hold me in your arms I'll do it

If you're asking for love there is no limit  
If you want to cry a river I'll swim around in it  
I can stay in there all night  
Catch the tears that fall from your eyes  
Just waiting out the fight til you win it

Rolling around, chasing a pool of sunshine  
Dreaming about the song you played me all night long  
I would be your biggest fan  
At least I try to understand  
Not the best but the best I can, I'll do it

Rolling around, chasing a pool of sunshine  
Dreaming about the day, you blew my blues away  
Yeah you do it just for me  
So I'll do almost anything  
At the very least the least I can I'll do it
