

## Many Poor Boy

The Deslondes

Well many poor boy  
Done quit too soon  
Many poor boy been  
Waiting on a girl like you

No lips to kiss  
Or whisper close  
Be no talk tonight  
OF what the future holds

Yes many poor girl got  
Told all wrong  
Broken down and shaken  
To the bone

But trying' be sweet  
In a spoiled old world  
Would ruin the heart  
Of any good ol' girl
