

Come On Up To The House

Devil Makes Three

Moon is broken and the sky is cracked
Come on up to the house
The only thing you see is all that you lack
Come on up to the house
All your cryin' won't do no good
Come on up to the house
Come down off the cross, we could use the wood
Come on up to the house

Come on up to the house
Come on up to the house
The world's not my home
I'm just a-passin' through
Come on up to the house

There's no light in the tunnel, no wines in the fire
Come on up to the house
And you're singin' lead soprano in a drunk man's choir
Come on up to the house

When life seems nasty, brutish and short
Come on up to the house
When the seas are stormy, and you can't find no quarter
Come on up to the house

Come on up to the house
Come on up to the house
The world is not my home
I'm just a-passin' through
Come on up to the house

There's nothin' in this world that you can do
Come on up to the house
You've been whipped by the forces that are inside of you
Come on up to the house
Well you're high on the top of your mountain of woe
Come on up to the house
You know you should surrender but you can't let go
Come on up to the house

You gotta come on up to the house
Come on up to the house
The world is not my home
I'm just a-passin' through
Come on up to the house
The world is not my home
I'm just a-passin' through
Come on up to the house
