### Devil Makes Three

Whooo

Whooo

Whose country is this anyway  
Who died in God's sweet name  
Our savior said make peace  
Instead, have we all gone insane

Whose hand is this we're holdin'  
Who whispers in our ear  
Who says you can't trust no one  
Who sows these seeds of fear

Let's all go out dancin' to the songs they sing  
We can watch these puppets  
Never ask who pulls the strings  
Whooo  
Never ask who pulls the strings  
Whooo  
Never ask

Whose wars are these we're wagin'  
Whose dollar changin' hands  
Whose soldiers sleep out in these streets  
No one gives a damn

Let's all go out dancin' to the songs they sing  
We can watch these puppets  
Never ask who pulls the strings  
Whooo  
Who pulls the strings  
Whooo  
Who pulls the strings

Whose dogs are these we're trainin'  
Whose houses do they guard  
Whose lives are these they're takin'  
Who waits behind the bars

Let's all go out dancin' to the songs they sing  
We can watch these puppets  
Never ask who pulls the strings  
Whooo  
Who pulls the strings  
Whooo  
Who pulls the strings
