

Keep this on your mind
Keep it within your eyelids
We have ascended countless stairs
Perhaps it has interrupted our thoughts
Regret is an inception, regret is a beginning
Miles and miles of wires build the apparatus
But don't mistake power lines for shelter
I forgot and it will more than likely happen again
Drink and binge the waters of the sea
Keep this on your mind,
Keep it within your eyelids
Don't climb for a lifetime only to fall short of infinity
Everything is left
With faith, some minds are sand;
But I prefer concrete
This is what's going to separate us from them
Time for the next chapter
Keep this on your mind
Keep this within your eyelids
