The Devil Wears Prada

Foot by foot down the stairs
No tinge of twilight between the floorboards
One man followed by another - deep south, beneath, under
Slowly entering the cellar

Think about when she was
In your arms
(Down below, down below)
Please say no
Think about when she was
In your arms

Let them bells ring as they did years ago
Let that choir sing and so it goes
He begs for every coin as they promise to reap and sow
She begs to be employed
