Trapped

The Devil Wears Prada

Waiting just outside your door
Those drops, those tears on the floor
Can we talk it out?
Find ways to solve the doubt

It's okay, I was fine to make the drive
There's a story here, no hindsight
We can't keep draining an empty tank
Don't say sorry, it's not your mistake

Can you look me in the eye?
We can try to slow down time
Wait until the pain gets smaller
But It never subsides

Does it feel like a heart attack?
Like there's no way out and no way back
I hate that you're being trapped by your issues
But I'm here with you
Does it feel like you've lost control?
Losing sleep will take its toll
I hate that you're being trapped by your issues
But I'm here with you

I'm here with you

There are times when
Your sight's blurry and you're hurting
It feels like the world stopped turning
Still trying to make the best of this place
Don't say sorry, it's not your mistake

Does it feel like a heart attack? (heart attack)
Like there's no way out and no way back (there's no way back)
I hate that you're being trapped by your issues
But I'm here with you
Does it feel like you've lost control? (you've lost control)
Losing sleep will take its toll (take its toll)
I hate that you're being trapped by your issues
But I'm here with you

But I'm here with you
With you
With you (With you With you)
But I'm here with you

Does it feel like a heart attack?
Like there's no way out and no way back
I hate that you're being trapped by your issues
But I'm here with you
