

# Don't Make Me Wait

The Dip

I called your house last evening  
Your sister said you weren't home  
I can't conceive why you're leaving  
You got to tell me what went wrong woah

I loved you so long  
You got to tell me what's going on woah

Don't make me wait for your loving  
Don't make me wait too long

I'm trying to wait for you darling  
But every day that goes by  
See a good looking woman  
Oh you know it's just a matter of time woah

I loved you so long  
You got to tell me what's going on woah

Don't make me wait for your loving woah  
Don't make me wait too long  
Don't make me wait for your loving  
Without it I'll be gone, gone, gone woah

Woah don't make me wait for your loving  
Woah don't make me wait too long  
Don't make me wait for your loving  
Without it I'll be gone, gone, gone woah
