

# Spiderweb

## The Dip

Bet your life  
There's someone in the darkness  
Waiting patiently for you  
Bet your life  
There's someone in the distance  
Setting up traps  
Spinning webs for you

Well you need to watch out  
Spiderweb, spiderweb  
Spiderweb, spiderweb  
Spiderweb, spiderweb  
Spiderweb, spiderweb

Watch your step  
There's something lurking in the shadows  
Man and who knows  
When it's gonna cut you down  
I suggest  
You be aware of your surroundings  
I suggest you keep  
Keep your ear to the ground  
Cause there's danger all around

Spiderweb, spiderweb  
Spiderweb, spiderweb  
Spiderweb, spiderweb  
Spiderweb, spiderweb  
Spiderweb, spiderweb  
Spiderweb, spiderweb
