

Tryin'

The Dip

Some days it doesn't make sense at all
Can't quite figure out what is going wrong
See I've been lied to more than my fair share
Oh but don't nobody else care

I said I'm tryin', I'm tryin'
I'm tryin', I'm tryin' hard for you baby

I said I'm tryin', I'm tryin'
I'm tryin', I'm tryin' hard for you baby
Why'd you do me that way
Why'd you do me that way
Why'd you do me that way
I said I'm tryin', I'm tryin'
I'm tryin' hard for you baby
Why'd you do me that way
Why'd you do me that way
I said I'm tryin', I'm tryin'
I'm tryin', I'm tryin' hard for you baby
Why'd you do me that way
Why'd you do me that way
I said I'm tryin', I'm tryin'
I'm tryin' hard for you baby
Why'd you do me that way
Why'd you do me that way
Why'd you do me that way
