The Dip

(Hoo! Ahh! Hah! Vacation vacation!)  
(Hoo! Ahh! Hah! Vacation vacation!)  
(Hoo! Ahh! Hah! Vacation vacation!)  
(Hoo! Ahh! Hah! Vacation vacation!)

Well another year came and went  
I came up with another twelve months of rent  
I paid my taxes but some rules were bent  
I didn't spend a single dollar I didn't need to spend but they tell me

(How can you go when you know that you might fall behind?)  
I don't care if I do, I'm taking some time  
I gotta get lost 'fore I lose my mind

(Hoo! Ahh! Hah! Vacation vacation!)  
I think I need a vacation  
(Hoo! Ahh! Hah! Vacation vacation!)  
I need a vacation baby  
(Hoo! Ahh! Hah! Vacation vacation!)  
(Hoo! Ahh! Hah! Vacation vacation!)

Beat down, boy I'm feeling rough  
Somebody tap me out 'cause I have had enough  
Why do I feel like this is all for nothin'?  
Start the countdown I'ma push the red button  
(How do you know that you won't regret it some day?)  
I don't care if I do, I'm taking some time  
I gotta get lost 'fore I lose my mind

I think I need a vacation  
(Hoo! Ahh! Hah! Vacation vacation!)  
(Hoo! Ahh! Hah! Vacation vacation!)  
Ohh I think I need a vacation baby yes I do  
(Hoo! Ahh! Hah! Vacation vacation!)  
(Hoo! Ahh! Hah! Vacation vacation!)

How do we measure the life of a person?  
Surely not by the money they earn  
You will get burned if you're stuck there workin'  
On somebody else's terms ooh ooh

Ohhh I need a vacation yeah  
(Hoo! Ahh! Hah! Vacation vacation!)  
(Hoo! Ahh! Hah! Vacation vacation!)  
I need to take a vacation baby  
(Hoo! Ahh! Hah! Vacation vacation!)  
(Hoo! Ahh! Hah! Vacation vacation!)  
(Hoo!)
