Damage Control

The Dirty Nil

If you wanna know what's on my mind
I'll tell you anytime
Beware the things you wanna feel
'Cause that don't mean they're real

Burn the Earth, drain the sea
Light a fire looking for me
I'll be gone down a hole
Faster than you can say "Damage control"

And if you wanna talk about what's fair
I don't see any bullshit like that anywhere
So long, where you gonna turn?
Another lesson left unlearned

Burn the Earth, drain the sea
Light a fire looking for me
I'll be gone down a hole
Faster than you can say "Damage control"

If you wanna know what's on my mind
I'll tell you anytime

Damage control
Damage control
Damage control
Damage control
