

# No Weaknesses

The Dirty Nil

Wish I was taller a little louder  
Hearing things from a higher power  
Hand to God and all the sheepish  
Me and Satan versus Jesus  
Now I'm sweating for a living  
No end in sight

But I have no weaknesses  
No weaknesses  
No weaknesses

Little girl come be my ever  
All your enemies tarred and feathered  
Glory, Glory Hallelujah  
They'll pray as we say HA HA HA  
Now we're sweating in the linen  
And it feels so right

'Cause we have no weaknesses  
No weaknesses  
No weaknesses

For a time when sway was mine  
No end in sight for me
