

Oowatanite

The Dirty Nil

Baby, let's move 'cause you know that the light here really hurts my eyes
I come from a world where the light is dim and the people not so jive
So fine, you know it's gonna be
So, come on, come on, come on, come on, baby
Come on, if you want it to be

Oowatanite
Everything'll be all right
Come on, come on, love me tonight
And I'll be yours till the sun comes up

Ooh, baby, you know the time is right
We are the light of two foreign ships passing in the night
So fine, you know it's gonna be
So, come on, come on, come on, come on, baby
Come on if you want it to be

Oowatanite
Everything'll be all right
Come on, come on, love me tonight
And I'll be yours till the sun comes up, again

Oowatanite
Everything'll be all right
Come on, come on, love me tonight
And I'll be yours till the sun comes up
