

Fantastic!

The Dismemberment Plan

So you're of the opinion that I was too hard
I've got my own opinions about that
And you think that I only want what I want
Ain't that a fact

I wouldn't go so far as to call it escape
But I'll head my way up I-95
If you even think of looking for me
You'll never find me alive
3-2-1, GO

Tell me what to do
Cause' reading minds just kills the mood, yeah
I waste so much time thinking that would be your move
Let's stay home again
1-2-3-4

That's so fantastic
It's really not my cup of tea, but
I couldn't pass it
You made a new man out of me, and
I think you're alright

Tell me what to do
Cause' reading minds just kills the mood, yeah
I waste so much time thinking that would be your move
Let's stay home again
1-2-3-4

Well I don't play games and I could go home
So don't even think about what I said
I guess I just find trusts to turn on

So double and triple guess my motives
I guess it's cute but it's really so stupid
Don't tell me how I'm so hard to read
How big a sign do you need?
3-2-1, GO

Tell me what to do
Cause' reading minds just kills the mood, yeah
I waste so much time thinking that would be your move
Let's stay home again
1-2-3-4

I'm not afraid of being clowned
There's something wrong in this here town
I want to see what binds us to this cursed ground

Cause' I noticed something up there
Behind the planes and weather balloons
I'm gonna find it, and I'm gonna find it soon

Hey! Hey! I never know
Hey! Hey! Oh no no no
