## The Disrupters

I WENT TO A PARTY AT THE ANIMAL FARM  
NO HARM IN LOOKING IT WON'T DO ME NO HARM

they're beasts with no feelings,  
beasts with no minds  
does it really matter if guniea pigs cry?  
they told me that i wouldn't feel any pain  
but the padded walls were there all the same

MASCARA AND LIPSTICK, FORCEPS AND PRONGS  
OVEN CLEANER AND ATOMIC BOMBS

they're beasts with no feelings,  
beasts with no minds  
does it really matter if guniea pigs cry?  
they told me that i wouldn't feel any pain  
but the padded walls were there all the same

VIVISECTION, SMOKING DOGS  
STARVING MONKEYS AND SLAUGHTERED HOGS

they're beasts with no feelings,  
beasts with no minds  
does it really matter if guniea pigs cry?  
they told me that i wouldn't feel any pain  
but the padded walls were there all the same
