

Call Box

The Districts

Well I, oh
Well I don't know where I'm going
And I don't know where I am

And I, oh
Its a shame, I don't know who I am
But by now, you couldn't tell [?]

And I don't want to be something
That I'm not, oh
And I don't wanna be a different man
And I don't wanna say something
To make you leave, but I will

And I will tell by the look in your face
And I will tell by the words that you say
And I will tell by the look on your face if I'm wrong (x2)

Well I, oh
Well I don't know what I payed for
But I want my money back

And I, I, I oh
Didn't know this was part of the bargain

Cause I could bite off it more than I could digest [?]

And I don't wanna be something
That you need, oh
I don't wanna be just a memory
And I don't wanna be something that you've come to regret
But I will

I will

And I will tell by the look in your face
And I will tell by the words that you say
And I will tell by the look in your face if I'm wrong

And I will tell by the look in your face
And I will tell by the words that you say
And I will tell by the look in your face if I'm wrong

I will tell by, I will tell
I will tell by the look on your face
I will tell by the look on your face if I'm wrong

I will tell by, I will tell
I will tell by the look on your face
I will tell by the look on your face if I'm wrong
