

Do It Over

The Districts

Take me back
I wanna start again
Do it over
Before it was all
Such disorder
Do you believe in me?
Cause I believe in you

I don't do it for my health
Not for anyone else
I only wanted to tell you
A secret
Help I can't hold it all myself
Whatchu mean, if I tell you
Would you keep it

Do it over
Do it over can we
Do it over
Do it over can we

Take me back
Cause I lost my way
Is it over?
Do it over
Do it over
Do I face the facts?
Were we ever pure?
How can you be so sure?

I don't do it for my health
Not for anyone else
I only wanted to tell you
A secret
Help I can't hold it all myself
Whatchu mean, if I tell you
Would you keep it

Do it over
Do it over can we
Do it over
Do it over can we

Do it over
Do it over can we
Do it over
Do it over can we
