

My Only Ghost

The Districts

You're the only one
Who comes to check my pulse
And it's hard to say nothing
To my only ghost

You're the only one
Who knows how it was
How you twirled 'round my ribbons
Time hasn't slowed

For my only ghost
My only ghost
And it's hard to say nothing
To my only ghost

You're the only one
Who roosted in my tree
All the leaves kept their dancing
But where was the sing?

From my only ghost
My only ghost
And it's hard to say nothing
To my only ghost
