

# Fighting Swallow

The Divine Comedy

Swallow  
The fastest ship under the sun  
Bar none  
Carry us over the waves  
To the adventure we crave  
Drive, oh  
Swallow

Swallow (Swallow)  
There's not a moment to lose  
Time to cruise (It's time to cruise)  
You have the speed to outrun  
Practically anyone  
Come on  
Swallow

Hold up the cannon  
Powder the musket  
Seal up the sinews  
Sharpen the cutlass

Send our enemies  
To the bottom of the sea
