

Funny Peculiar

The Divine Comedy

Funny
Funny little smile
Like a guilty child
Trying to fool ya
Funny
Like Zsa Zsa Gabor
Not funny ha-ha or
Funny peculiar

You're strangely attractive
You're oddly adorable
The funny fact is
Funny peculiar, you are the one

Funny
Funny little face
Like a sunny day
In the middle of winter
You're funny
Like a minor chord
There isn't a reason for
They just throw it in there

You're strangely attractive
You're oddly adorable
The funny little fact is
Funny peculiar, you are the one
For me, honey yes indeed
You're the one for me
Honey yes indeed you're
Funny
Peculiar

You're strangely attractive
You're madly magnificent
And the funny little fact is
Funny peculiar, you are the one

Honey yes indeed
You're the one for me
Honey yes indeed
Funny peculiar
That is what you are
Funny peculiar
That is what you are
