The Divine Comedy

It is a far far better thing that I do now than I have ever don e before It is a far far better place that I go to than I have ever know n before" My slap 'n' tickle made her giggle Made her wiggle like a willow tree So suggestively So I suggested She protested I persisted till she said "Well, okay..." And I said "Wey-hey!" In or out-of one thing there can be no doubt Out or in-this is not a sin-it's not even original! And hey, we're all individuals-so let the games begin! I fall in love with someone new practically every day but that' s okay It's just the price I pay for being a man (if that's really wha t I am)

And I refuse to take it all too seriously It's such a strange activity, Far too peculiar to be taken any other way Don't wait until tomorrow-do it today

In out in out in out in out in out in out Shake it all about
