

Life's What You Make It

The Divine Comedy

Baby, life's what you make it, can't escape it
Baby, yesterday's favourite, don't you hate it?
Everything's all right... life's what you make it

Baby, life's what you make it, don't backdate it
Baby, don't try to shame it, beauty's naked
Everything's all right... life's what you make it

Baby, life's what you make it, celebrate it, anticipate it
Yesterday's faded, nothing can change it
Life's what you make it
Everything's all right... life's what you make it
