Navy Stroke

The Divine Comedy

Navy stroke
Navy stroke
Not too fast
Not too slow
The proper way
To row about
Navy stroke
Navy stroke

Just give in the message telling row away
Hope that I can find the proper words to say

Navy stroke
Navy stroke
Pull your weight
Set him straight
The grown-up way
To row about
Navy stroke
Navy stroke

If I keep that cottage and that tree in line
I'll get there and back home in next to no time

Navy stroke
Navy stroke
Keep it up
Like a clock
Tightly wound
And duty bound
Navy stroke
Navy stroke
