## **Party Fears Two**

## The Divine Comedy

I'll have a shower
And then phone my brother up
Within the hour
I'll smash another cup

Please don't start saying that Or I'll start believing you If I start believing you I'll know that this party fears two

And what if this party fears two?
The alcohol loves you while turning you blue
View it from here
From closer to near, awake me

Don't turn around
I won't have to look at you
And what's not found
Is all that I see in you

My manners are failing me I'm left feeling ugly And you say it's wonderful To live with, I never will

So what if this party fears two?
The alcohol loves you while turning you blue
View it from here
From closer to near, awake me

I'm standing still
And you say I dress too well
Still standing still
I might but it's hard to tell

Even a slight remark

Makes no sense and turns to shark

Have I done something wrong?

What's wrong is wrong, it's always wrong

I'll have a shower
And then phone my brother up
Within the hour
I'll smash another cup
