Perfect lovesong

The Divine Comedy

Give me your love
And I'll give you the perfect love song
With a divine Beatles bass line
And a big old Beach Boys sound
I'll match you pound for pound
Like heavy-weights in the final round
We'll hold on to each other
So we don't fall down

Give me a wink

And I'll give you what I think you're after

With just one kiss I will whisk you away

To where angels often tread

We'll paint this planet red

We'll stumble back to our hotel bed

And make love to each other

'Til we're half dead

Maybe now you can see Just what you mean to me

Give me your love
And I'll give you the perfect love song
Give me your word
That you'll be true to me always come what may
Forever and a day
No matter what other people may say
We'll hold on to each other
'Til we're old and grey
