

## Rainy Sunday Afternoon

The Divine Comedy

Rainy Sunday afternoon  
I've just had a stupid little fight with my girl  
Funny how some days we're not in tune with each other

Rainy Sunday afternoon  
I try not to fixate on the state of the world

I wonder if one day  
The doom and gloom will disappear  
And the men who rule by fear  
Will realise the  
Error of their ways  
One rainy Sunday afternoon

Rainy Sunday  
Rainy Sunday afternoon  
I feel like I've really got the weight of the world  
Sitting squarely on my two puny shoulders  
And I don't know what to do  
I can't even go and have a drink with my friends

Funny how some days  
You can't pretend that nothing's wrong  
God, I hope before too long  
We realise the  
Error of our ways  
Before it's all too late  
Yeah

And the men who rule by fear  
Will realise

Rainy Sunday afternoon  
I've just had a stupid little fight with my girl  
And now that I think about it  
It might have been my fault

I think it was my fault  
Yeah  
I guess it was my fault
