## **Ten Seconds To Midnight**

## **The Divine Comedy**

Ten
Apes turn into men

and grapes turn into wine  $\operatorname{How}\nolimits$  we made it to nine

I'll never know

Eight

Man looks for a mate but fate plays cruel tricks And seven turns to six still he's alone

Along comes number five Eureka I'm alive I think therefore I am a lucky man

Three

From this balcony the two of us can see The place where we first met one wet sunday
