

# The Synthesiser Service Centre Super Summer Sale

The Divine Comedy

We've Akai and Alesis, Arturia and ARP  
We've Emulator, Oberheim and Aries  
We've Minimoog and Polymoog and Moog Modular  
And our Moogerfooger envelopes are scary  
We've every Korg you'll ever need, M1 to MS20  
We've Volca, Delta, Trinity and Triton  
There's Prophecy and Odyssey and microKorgs aplenty  
There's black and brown and grey and red and white ones

You won't believe the prices, you'll be glad that you availed  
Of the Synthesiser Service Centre Super Summer Sale

We've 101s and 303s and 505s galore  
We've 607080909s  
We've Siel and Solina and Suzuki Omnichords  
And of course Sequential Circuits Prophet 5  
We've Fairlight, Future Retro and Formanta Polivoks  
We've Delaware, Synare and Ensoniqs  
We've Boss and Brute and Buchla and Bananas by the box  
We've PPG's and Gleeman Pentaphonics

Come on down, shop around, be like Nine Inch Nails  
At the Synthesiser Service Centre Super Summer Sale

We've Kurzweil, Karmas, K2000s, Tempests and Bontempis  
We've Jens, GEMs, Jupiters and Junos  
We've GX1s, DX1s, DX7s, CS80s  
We've every single synthesiser you know  
From Taurus to Andromeda, Synclavier to Nord Lead  
This Synthi AKS has just arrived  
We've got a mint condition EMS VCS3, but...  
Here's a Casio MT45

You won't believe the prices, you'll be glad that you availed  
Of the Synthesiser Service Centre Super Summer Sale

We've warranties and guarantees in case your filters fail
