

Thinking The Unthinkable

The Divine Comedy

What if the rivers all run red?
What if the sky falls on our heads?
What if the moon scares away the sun?
What if tomorrow never comes?

Well you can't build a ship that's unsinkable
And you can't make an army invincible
I've started to think the unthinkable
I've started to wonder
What terrible blunder
I've made

What if tomorrow is Judgement Day
And all the angels laugh and turn away?
What if I stumble? What if I fall?
I'm simply not equipped to deal with it all

But you can't build a ship that's unsinkable
And you can't make an army invincible
I've started to think the unthinkable
I've started to wonder
What terrible blunder
I've made

I know what you're thinking
I'm paranoid
But I ain't been drinking
Or reading Freud
Well I'm not superhuman
And I'm not Superfly
And all I can do is
All I can do is
Try

What if the serpent tempted you
Could you resist forbidden fruit?
Well I ate from that ironic tree
And now my fate conspires against me

Well you can't build a ship that's unsinkable
And you can't make an army invincible
I've started to think the unthinkable
I've started to wonder
What terrible blunder
I've made
